

Title: Facility Maintenance Trainee

General Function:

Under the direction of the Facility Coordinator we are looking for the right person that would like to learn the duties and responsibilities of the custodial trade. This position will ultimately gain knowledge and become responsible for the overall cleanliness of the facility and assist with general maintenance, pool and spa maintenance, and grounds keeping activities as requested.

Essential Functions you will learn on the Job:

- Pool, hot tub, and spa maintenance
- HVAC preventative maintenance
- Fleet detailing
- Lite custodial tasks
 - Clean and maintain floors and windows
 - Clean a variety of office and health and fitness equipment
 - Properly sanitizes public restroom facilities including but not limited to restrooms, showers, locker rooms, and saunas
 - Maintains cleaning equipment
 - Checks and removes towels from bins, and transports to laundry room
 - Washes, dries, folds, and stocks towels

Entry Requirements:

- Desire to learn experience in the custodial field
- Williness to learn the proper use of equipment and chemicals used in the custodial profession
- Able to lift up to 50lbs
