YMCA FALL CO-ED BASKETBALL

UNLEASH THE ATHLETE IN YOU

At the Silver Falls Family YMCA we believe that every kid deserves the opportunity to learn a sport, develop fundamentals, build confidence, and continue in the game. We want to keep kids participating in physical activity regardless of ability to play or pay. In doing so, we encourage healthy competition, the value of participation, team building, individual development, positive self-image, and a sense of fair play.
