YMCA CAMP GREIDER  DAY CAMP

OUR PROGRAM & VALUES

YMCA Camp Greider has been providing an outstanding day camp experience for children for decades. We believe in and teach the values of the YMCA: Respect, Responsibility, Honesty, and Caring through intentional camp programming. From flag raising and chapel in the morning, to skill groups and camper’s choice time in the afternoon, our focus is helping children grow into confident, caring adults.

OUR STAFF

Camp professionals supervise our outstanding counseling staff of young adults, selected for their leadership skills and passion for working with youth in an outdoor setting—what camp is all about! Our staff are trained in child development, behavior management, relationship building, and camp activities in order to create a safe and positive environment for campers. All are First Aid/CPR certified.

COUNSELORS IN TRAINING (Entering Grades 7-9)

This two-week program is designed to help teens who are interested in leadership roles in a camp setting develop the skills needed to be a positive role model. Teens in this program learn team-building activities, develop leadership skills and learn the skills needed to work with children in a camp environment. CIT I’s will also shadow counselors and program staff to learn what they do. CIT II’s will spend their second week with a group of campers practicing all of the skills they have learned. It’s an excellent opportunity to gain skills, have fun, and make new friends!
