Dear YMCA Families,

The Family YMCA of Marion and Polk Counties is committed to providing a safe and enjoyable experience for our children and families. There are growing concerns about the potential spread of coronavirus, and in an effort to keep you and your family healthy and prevent the spread of germs, we are sharing some important information.

Our before and after school program for the Salem Keizer School District will be temporarily suspended until April 1st. We support the School District in its stance to have all facilities closed until April 1, 2020. If you are part of a program that has been cancelled we will issue a credit to your account for the prorated amount of days you haven’t received service. Feel free to use that credit for the next month’s bill or any other program you would like to sign up with the YMCA. If you would also like to donate that credit to the YMCA please let us know as we would appreciate your gift.

As of today the only programs we are not offering at this time are: Before and After School Care for Salem Keizer School District and Mt. Angel School District, Gymnastics in Monmouth, Pre-school at Peoples Church, and Middle School Track for Silver Falls. All other programming will continue to operate as usual until further notice.

Currently, there are no suspected or confirmed cases of coronavirus in our YMCA programs. While no one can predict with certainty how severely Oregon will be impacted by coronavirus, we are monitoring the situation and preparing for the possibility that our programs could be temporarily impacted if the situation does not improve. We will keep you updated with information as it develops.

For your protection our staff are working to diligently clean our facilities using appropriate disinfectant. We also are encouraging our staff if they feel sick to stay home until they are healthy in consideration of the health of others.

Additionally, we encourage you to regularly check the [CDC’s website for important updates and safety information](https://www.cdc.gov/coronavirus/2019-ncov/index.html).

For Childcare questions please contact Felicia Fisher at 503.399.2788 and for all Membership questions please Barbara at 503.581.9622.
