## Daily 12 Essentials for Success

FAMILY YMCA OF MARION & POLK COUNTIES

Hello parents,

Thank you for entrusting the Family YMCA of Marion & Polk Counties to care for your child(ren). We aim to provide you and your family quality care through consistent and professional staff, the highest standards of safety, and by creating fun and exciting moments each and every day.

Although this year's YMCA Summer Day Camp may be a little different from previous years, we have well trained staff that are prepared to set clear and safe expectations for each and every camp participant. These expectations include social distancing, all activities are non-contact, all groups will be stable groups of 10 or less, and no groups will occupy the same space at the same time.

Please expect your child to spend the greater portion of the day outdoors doing a wide range of different activities that will likely get them dirty, wet, and hot. Moreover, there will be opportunities for indoor activities that will require some art & craft supplies. Therefore, in order to have every child be successful and provide the best possible care, we are asking that your child(ren) be prepared with the 12 Essentials for Success daily. This supply list guarantees that your child will be able to participate in each and every activity that is led (both indoors and outdoors) and ensure the utmost safety for everyone.
